Our Camps are Nut Aware

All KIDS LOVE TECH camps are "Nut Aware". We ask that you do not send products containing nuts or may contain nuts listed on the labels. Strict guidelines will be followed to ensure all campers are safe. Please remind your children that they are not to share any food with other campers.

Children with Allergies and Special Needs

Our instructors have standard first aid training. In order to ensure that your child receives appropriate care we are asking that you let us know of any allergies and/or special needs your child may have. Please indicate them in details in the registration forms. We will contact you to discuss allergies and special needs prior to the start of camp.

Please be advised that our staff is not certified in special needs. If children require a one-on-one support worker you will be expected to send a worker with your child.

Unacceptable Behavior Policy

KIDS LOVE TECH camps provide a safe and supportive environment to all children. While summer camps are meant to be fun we do expect all children to follow camp rules, be respectful and friendly to other campers and treat camp facility and all equipment with care.

No foul language, intimidation of other students, or abuse of the facility or materials will be tolerated.

Campers are on their best behaviour most of the time, however should your child cause unnecessary disruptions during camp we will call home to notify the parents. Should a child's unacceptable behaviour continue after parent has been notified, Kids Love Tech reserves the right to remove the participant from the camp for unacceptable behaviour without refund. Historically this has occurred to less than 1% of our campers.

Camp Cancellation

KIDS LOVE TECH reserves the right to cancel weeks of camp due to unforeseen reasons. Should a camp be cancelled we will contact you as soon as possible and we will offer you the choice of a placement in a different week or location or a full refund.
